CHAIRMAN'S FOREWORD

Chairman

Mr Darren Shaw and his wife Karen

Hi all,

As I start my 2nd year as Chair, after a very difficult spell for us all, I do believe that the future is looking brighter. We are still living with the legacy of Covid which has directly affected a number of our members, including my own family, but we have managed to work through the restrictions and now looking forward to a full Rally Program this year.

In July we will hold our 1st Chairman's Rally for a number of years, and I hope you will join me at Kineton Sports & Social Club for a full weekend of fun and fund raising.

My team is bigger this year, but still small as it has been for some time now. We all aspire to get everyone back together and creating fond memories in the club we hold dear to our hearts.

Karen & I look forward to meeting many more of you at our events this year.

RALLY BOOK FORMAT

Your Rally Book format for 2022 is now only in electronic format, and so we have re inserted all the Handbook Details which had previously been removed.

We will maintain a copy of the Handbook for anyone who wants one.

You will notice that some items have not been printed in either book. Some of these can be found on the EWCC website which can then be printed at home, or you can ask a Committee member to supply you with certain forms. These include Nomination Forms for Committees, Notification for Friendship & Loyalty Plaques, Suggested New Rally Site and Rally Booking Slips.

Other items not in the books are supplied on loose letters. These include AGM and nomination notices, a quick at-a-glance rally programme & the charity that the Centre will support for the current year.

**PLEASE REMEMBER TO RENEW YOUR CENTRE MEMBERSHIP EVERY YEAR
AFTER YOU RENEW YOUR CLUB MEMBERSHIP**

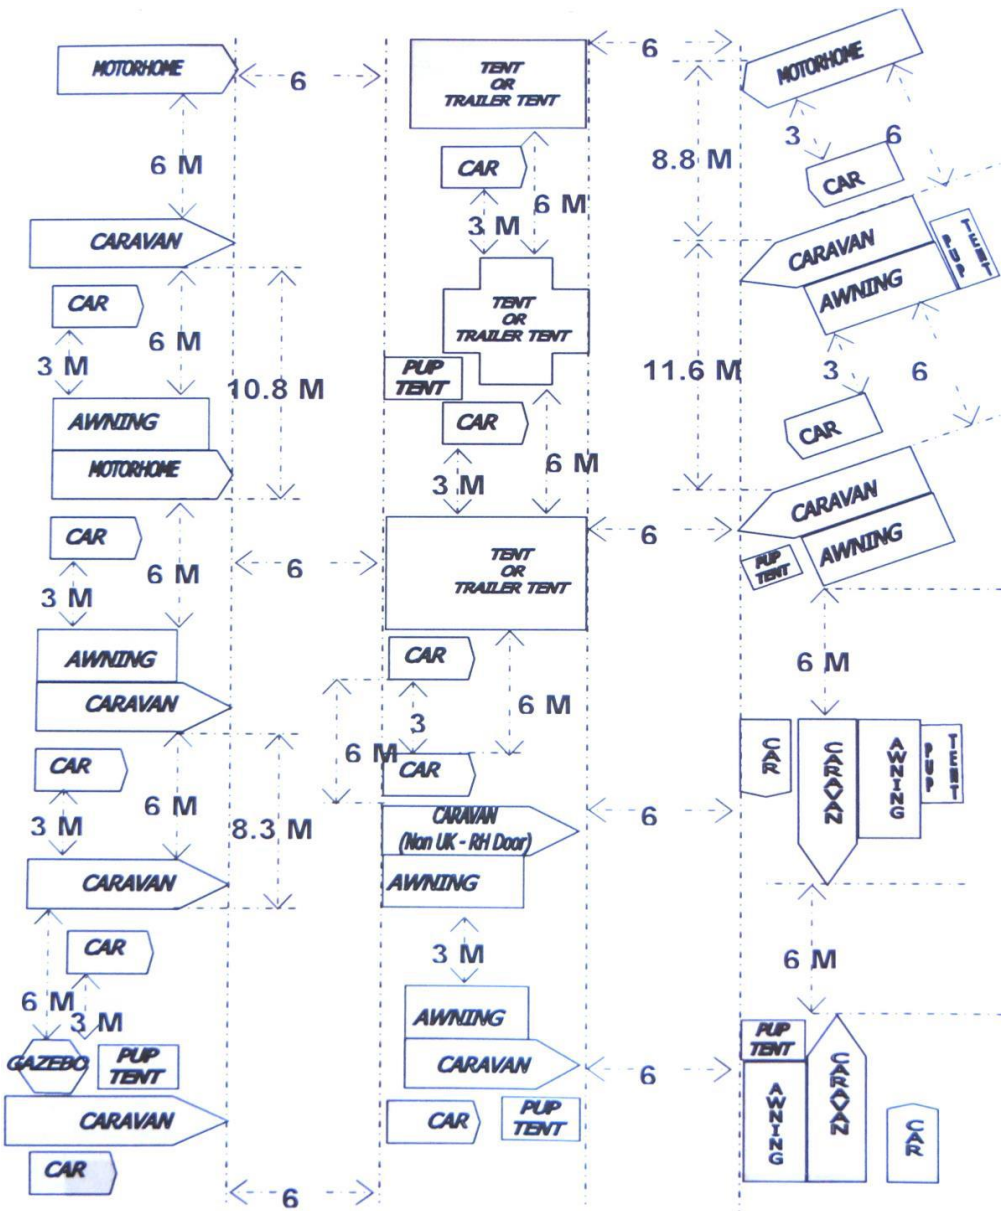

Since the introduction of General Data Protection Regulation the Club needs a way to gain centre member's consent on an annual basis.

So, by renewing annually, a Centre member is actively agreeing to their data being shared with Centres. This allows the Club to comply with the law.

RULES AND INFORMATION FOR RALLIES

1. At all East Warwickshire rallies the authority for the conduct of the rally shall be vested with the Rally Officer or his or her appointed deputy.
In the event of a member breaking these rules or any other rules in force at the time, the Rally Officer shall fully investigate the matter and shall be authorised to TAKE APPROPRIATE ACTION and may request such member to remove his outfit from the site, if deemed necessary, after consultation with the Committee person(s) present. A full report will be prepared by the Rally Officer and given to the Committee for such action to be taken as deemed necessary.
2. Each member must report to the Rally Officer on arrival at the site with his outfit before pitching, members will pay site fees and all monies due, a member must be prepared to produce his membership card if requested.
All centre rallies commence at 5.00pm. on Friday unless stated otherwise. **Please do NOT arrive before the stated opening time.** All caravans to be sited on the Rally Officers directions. Each caravan must be placed on the pitch as instructed by the Rally Officer. A distance of not less than 25ft (where space permits) should be allowed between one unit and the next, taking into consideration persons wishing to erect awnings.
The towing vehicle should wherever possible be placed on the offside of the caravan. It is acceptable for caravans fitted with a door on the offside to be parked with the 'A' frame pointing in to opposite direction to the caravans parked on either side. In these cases the rear nearside corner of the caravan should be on the peg.
3. All East Warwickshire rallies carry an administration fee, anyone booking into a rally and not arriving will be expected to pay the current admin. fee plus any expenses incurred on your behalf (newspapers, plaque, etc.) Current Admin (2013): £2.50 for Rallies of two nights duration, £1.25 per night for Rallies of 3 nights or longer duration. This will be collected by the Dues Officer. For weekend or Bank Holiday rallies the fee will not be levied if you cancel your reservation no later than the Monday prior to the rally.
For rallies where a deposit is required, this is non returnable and includes the Administration fee. Where in the unforeseen event of a rally being cancelled only members who have sent in the official rally slip by the specified date will be notified of cancellation and informed of the alternative arrangements.
4. At 'drive on and site' rallies the reservation of pitches will not be permitted.
At normal weekend rallies of 2 nights the reservation of pitches is limited to one pitch which must be adjacent to the member reserving the pitch. If site conditions/layout allow, the Rally Officer may relax the one pitch rule at his absolute discretion. On Holiday rallies rallies of 3 nights or more the reserving of pitches may be allowed at the discretion of the Rally Officer and also assuming site conditions/layout allow.
The above rules do not apply to Rally Officers requiring pitches for assistants, or to certain Committee run rallies when it is necessary for the Committee to be sited adjacent to each other e.g. AGM where the entertaining of official guests may be necessary.
5. Members must provide their own toilets and must empty the contents into the Pit or disposal point provided; it must not be charged or rinsed directly from the drinking water tap. Waste water must be collected into a receptacle which does not leak or overflow. Normally disposal will be along a hedgerow. The disposal point must not be used for wet or dry kitchen refuse including tins and bottles etc. Members are asked to make their own provision for disposal.

6. The speed limit on the rally is **5 m.p.h.** walking pace, only fully licensed drivers are allowed to drive vehicles on the site.
7. Dogs must be kept on their leads and under control at all times, the lead must not exceed **10 ft** in length and when tethered in the proximity of the caravan should be shorter if it would inconvenience the rightful passage of anyone who has cause to be within the stated 10 ft. Owners of pets are asked to prevent them from fouling the ground in the vicinity of the caravans.
8. Members must ensure that their children do not trespass or damage the site owners or adjoining property. Parental control must be exercised over children at social events and on the Rally Field.
In view of the possible danger to caravans and cars the flying of kites, modelaircraft and other aerial objects (e.g. Frisbees), the playing of all types of ball games other than in the designated area) the use of guns, air pistols, catapults, bows and arrows are strictly prohibited.
All cycling is prohibited within and around the caravans. On some designated rallies cycling anywhere on the rally field will be prohibited for safety reasons.
9. Small tents whose total floor area is less than 32 square feet and with a height which does not restrict other ralliers view may be allowed at the absolute discretion of the Rally Officer. They must be sited wherever possible at the rear of the caravan. Where this is not possible they may be sited in a position determined by the Rally Officer. Sleeping in a motor vehicle other than motor caravans/campervans is strictly forbidden.
10. Always carry levelling blocks, a fire extinguisher, a first aid kit and sufficient water for immediate needs.
11. When the rally field becomes too wet, restriction flags may be used by the Rally Officer, the Yellow Flag will indicate you may only move with the Rally Officer's permission, the Yellow and Red Flag flown below the Yellow Flag indicates a total ban on movement of all vehicles. Should it be necessary to use a 4-wheel drive for movement of cars and caravans, motor caravans, the Club, Centre Rally Officers, owner or driver will not accept any responsibility for any damage which may occur. A donation towards the cost of fuel of £1 a tow should be made directly to the vehicle driver.
